2017 Swimming Pool Clean-up Agreement

Dear Valued Customer,

We would like to extend our thanks and appreciation to you for using our services this season. We hope this will be the best pool season and summer yet!

Upon opening your pool, it will appear either green or very cloudy. Once we check your pool chemistry and adjust the chemicals accordingly, your pool may look worse before it begins to improve.

With this in mind, we offer a service that a technician will return to your home on a daily basis, which will consist of leaf raking, backwashing the filter and adjusting the chemicals until the pool is clear and ready for vacuum. This service is \$ 50.00 per visit, plus chemicals.

YES! I would like to be on schedule for the pool clearing service.

No thank you, I will clear up my pool.

Once your pool is clear and you can visibly see the bottom, an **INITIAL VACUUM** service can then be scheduled. This service consists of using our own filtration system to vacuum your pool and prevent "wear and tear" on your system. We will again adjust all chemicals, leaf rake and backwash the filter, if it is necessary. The technician will stay as long as is needed to get your pool clean, in some cases they may have to return the following day to allow all the debris to settle and begin vacuuming again. This service is \$99.00/hr. plus chemicals.

YES! I would like to be on schedule for an Initial Vacuum service.

No thank you, I will maintain my pool.
